Liability for Content

The contents of our pages have been created with the utmost care. However, we cannot guarantee the accuracy, completeness, and timeliness of the content. As a service provider, we are responsible for our own content on these pages in accordance with § 7 paragraph 1 of the TMG (Telemedia Act) and general laws. According to §§ 8 to 10 TMG, however, we are not obliged as a service provider to monitor transmitted or stored third-party information or to investigate circumstances that indicate illegal activity. Obligations to remove or block the use of information according to general laws remain unaffected by this. However, liability in this regard is only possible from the time of knowledge of a specific infringement. If we become aware of such infringements, we will remove this content immediately.

Liability for Links

Our offer contains links to external websites of third parties, over whose content we have no influence. Therefore, we cannot assume any liability for these external contents. The respective provider or operator of the pages is always responsible for the content of the linked pages. The linked pages were checked for possible legal violations at the time of linking. Illegal content was not recognizable at the time of linking. However, a permanent control of the content of the linked pages is not reasonable without concrete evidence of a violation. If we become aware of infringements, we will remove such links immediately.

Copyright

The content and works created by the site operators on these pages are subject to German copyright law. Duplication, processing, distribution, and any kind of exploitation outside the limits of copyright law require the consent of the respective author or creator. Downloads and copies of this page are only permitted for private, non-commercial use. Insofar as the content on this page was not created by the operator, the copyrights of third parties are respected. In particular, third-party content is identified as such. If you should still become aware of a copyright infringement, we request a corresponding notification. If we become aware of infringements, we will remove such content immediately.
